

A unique program

CareLogic is a program that enables organizations to assess their current quality assurance practices and make informed business decisions about improvements. This is a unique program within our industry that provides free access to advice from experts.

Why join CareLogic?

- ✓ Free service
- ✓ Access to experts
- ✓ Personalized advice
- ✓ Setting of clear objectives
- ✓ Continuous follow-up

Three steps to join

- 1** **Maternity self-assessment**
Start by completing the online questionnaire. This will help us better target your needs in a quick and completely autonomous way
- 2** **In-depth evaluation**
Then, a follow-up meeting with one of our agents. the expert's vision will be able to explain to you simply the problems that your self-assessment has identified.
- 3** **CareLogic enrollment**
Finally, regular review sessions with your designated agent to guide your organization toward the achievement of its strategic objectives.
